1VBDB Plants Trees to Save Environment

By Felizardo A. Enad

One of the most important activities during the two-day celebration of 1st Valley Bank's founding anniversary is the tree planting. In its own little way, the Bank wishes to contribute to the world-wide campaign of saving our environment.

The tree-planting activity was held on the 2nd day of the 2-day celebration on 25th August 2019, Sunday. Converging time is at 7:30 a.m., and then the group headed by the Chief of Staff, Glenn A. Mendez, proceeded to Malasag, Cagayan de Oro.

The group, composed of all boys, had to walk at least one

(1) kilometer to reach the tree-planting site. 300 seedlings of teakwood trees were planted. The area is the natural source of CDO water, and the teakwood tree, a tropical hardwood, is valued for its climate-resistance properties, and more importantly for its ability to hold the most water.

The group planted the 300 teakwood seedlings around the hill with a stiffness of about 70 degrees.

The Wide Screen Experience

By Anderson "Tata" Undag

During the two-day celebration of our 63rd founding anniversary, we had the opportunity to view the program in the widescreen.

It used to be that we had to come early on the 2nd night just to ensure that we occupy the most strategic seats.

With the widescreen, we can have a clear view of the stage activities no matter where we were seated.

We have also seen how our presentations have leveled up. And oh, how elegant and dashing our ladies and gentlemen in their long gowns and suits respectively.

TAKE US BACK TO THE HAVANA NIGHTS

We started the two-day thematic celebration of our founding anniversary with the Havana Nights party. No less than our HR Director welcomed all of us warmly.

Our Havana Nights started off with a celebration of the Holy Eucharist. A special program of activities was prepared by the working committee.

The highlight of the night was the launching of the following: Colympics (Collection Olympics), Deposit Triathlon, and Digital Marketing.

Our HR Director, Vivian V. Lim, introduced the

Digital Marketing team: Rebmevon, Jackie, Chona, and Jaysond. The team then introduced Bernie "Bitok Bitok" as the Bank's newly chosen brand ambassador.

The Havana Nights party was also a celebration of talent, a proof that 1st Valley Bank, Inc. is indeed home to the brightest and shiniest stars and everything in between.

It was a tough competition, and the judges - Paul Kocourek, Gus Poston, and Celeste Marie V. Lim, had a hard time choosing the winners: 1st Place goes to Team Jhong & Hazel, 2nd Place to Team Peter, and 3rd place to Team Jamael & Fred.

HON. SENATOR FRANCIS "TOL" TOLENTINO IS IN THE HOUSE!

Expresses his appreciation for the support he received from the 1VBDB family

The entire 1st Valley Bank family is honored to have Senator Francis "Tol" Tolentino as their distinct guest during the two-day celebration of the Bank's founding anniversary.

Gracing the 2nd night jewel and gems thematic celebration, the good Senator thanked everyone for the help and support he received during the election. *"Kundi ako nakalusot ngayon, siguro hindi na ako pupunta dito, nakakahiya na"*, Senator Tolentino quipped humorously.

As he expressed his appreciation, the Honorable Senator added that he finds it difficult to choose the right words since *"wala naman akong kumpare dito, wala akong kamaganak, at wala akong girlfriend dito sa Cagayan de Oro o sa Lanao del Norte, but just the same you supported me."*

The Disney Challenge

During the second night celebration of its founding anniversary, 1VBDB treated the audience with a showcase of different levels of talent. The competition was tough, with each area presenting their take on Walt Disney movie soundtracks. While the audience naturally have their own bets, the judges had the final say on who's going to win it. Kudos to the judges- Paul Kocourek, Gus Poston, Celeste Marie Lim, and Atty. Zara Teodora Cabanlet, as perhaps no one would like to take their seats at that time.

The winners are the following: Team Jhong and Hazel for their Beauty and the Beast Presentation with Glen Bucog's awesome performance as the beast winning the audience's approval and the grand prize, the classy take by Team Peter of the Lion King that was so good to come in at 2nd place, and then there was the magical Aladdin by Team Glenn earning for them the 3rd place. All teams though did their best that 1VBDB's President, Atty. Nicolas J. Lim couldn't help but express his amazement. The 1VBDB ensemble- Mike Cimafranca, Jessie Maglangit, Kathy Simon, Valerie Maurin, and Bernard Paderes captivated everyone's heart with their rendition of the Disney medley.
